

## To All Contractors

Dear Contractor,

Below a few rules and regulations, you are obliged to follow when working in Jagtsparken.

### **Rubbish**

- Rubbish are not to be put into the bins for household waste, but must be put out for the major rubbish Wednesday collection (every second week, check with management for exact dates)
- Carbord is to be put into the cordoard bin
- All building waste must be removed by the contractor.

### **Hazardous waste**

Hazardous Waste must be given to management for storage until collection.

Hazardous waste could be:

- Batteries
- Paint and lacour
- Oil
- Spray cans
- Products marked with the danger symbols.

### **Hazadours waste and soak aways**

In Jagtsparken soak asways have been established to remove all rain water. As this is a biologicaly system is must **ONLY** receive pure rain water.

This means that it is **ILLIGAL** to paour hazardous wast into the wells or into the soak away areas.

### **Enterances**

Our estate enterences have newly renovated, so we kindly ask you to cover floors, banisters and wals to avoid any damages to same.

### **Parking and driving on the estate**

It is illegal to drive / park on the pathways and the lawns.

### **Noice**

Noicy tools must not be used between 20.00 o'clock and 08.00 o'clock – 80.00 pm to 08.00 am.

### **Toilets**

If you are working on a long term project or renovating bathrooms, you can ask the management for the key yo the toilet in the estates basement.

Kind regards

The Board of Jagtsparken
